

## Alfred Health Graduate Nurse Program (General) Information Session for 2025 intake FAQ's and Answers

### **Q.1 – What do I do if I haven't completed Acute Clinical Placements by the time applications close?**

A.1 – We appreciate that due to disruption to placements, some candidates may have to submit either second year appraisals or an appraisal from a subacute, community or mental health placement to ensure their application is complete. These applicants can then submit an updated third year appraisal if this placement is completed before closing date for applications, May 21<sup>st</sup> @5pm. If able, it is preferable to provide clinical appraisals from Semester 2, 2023 & Semester 1, 2024. Applicants document their estimated Degree end date within their online application.

### **Q.2–If offered a GNP position with Alfred Health, can you choose which campus/ward/start date?**

A.2 – applicants are applying to Alfred Health which has 3 campuses, applicants have the opportunity to nominate three preferences, all information will be considered but cannot be guaranteed.

### **Q.3 – What will the interview process for the 2024 graduate intake?**

A.3 – All candidates will complete online video interviews on the GNMP PMCV Allocation & Placement Service (APS) website. There are practice questions available to candidates on this site as well to help you prepare for this requirement. Alfred Health will download these videos to review. Alfred Health will update external website with any further information about interview process soon.
