CCHS Health Promotion Team Support

AlfredHealth

Our Health Promotion Team can support you to use a whole-school approach to:

- Identify your school's health and wellbeing needs and priorities
- Align health and wellbeing approaches to the school curriculum and educational frameworks (e.g. Framework for Improving Student Outcomes)
- Review or create health and wellbeing policies
- Embed evidence-based resources which align with school curriculum
- Support and assist health and wellbeing teams
- Create community engagement plans
